Ari Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You have student loans but don't earn enough to pay them off. Your parents, the Baby Boomers, never had these problems. They graduated, got good jobs, paid off the loans and built their careers. Why can't you? BECAUSE THE RULES HAVE CHANGED!! Advanced tech is eliminating jobs at a furious rate. Even more are being outsourced. Entire industries are being eradicated by computer software and the need to hire employees is dwindling. Most young people are working two and three minimum wage jobs and are barely scraping by. If this describes you then you need to face the facts. Employers want you to be buried in debt so you'll take any job for any pay. In this book I'll show you how you can pay off your student loans by going to little known websites that pay for online focus groups. Product launches are very costly and they need consumer input to fine tune their products and are willing to pay for it. I'll also show you how to create simple websites that can generate extra income for you each and every month. So pick your copy of this book and get in on these opportunities while they're still available.
