HarperCollins Publishers (Australia) Pty Ltd. Paperback. Book Condition: new. BRAND NEW, The Solomon Effect, C.S. Graham, A German U-boat lost in the final days of the Second World War rested silent and dead in the deep waters off the Russian coast for more than half a century - carrying a cargo too terrifying to contemplate. Now it has been found and its terrible treasure liberated by those who would set the world on fire. A remote viewer working in top secret for the US government, October Guinness, can 'see' events occurring on the other side of the globe. But she and her loose-cannon partner, CIA agent Jax Alexander - who questions the validity of Tobie's 'gift' - have arrived too late to prevent a bloodbath, and perhaps the Apocalypse as well. Now every second brings the unthinkable a step closer - and places Tobie and Jax in the gunsights of powerful enemies in frighteningly high places - as they race to connect the dots between an impending catastrophe and a nightmare cultivated decades earlier by Nazi scientists with an evil agenda about to become all too real.
