

The Collector: David Douglas and the Natural History of the Northwest

By Jack Nisbet

Sasquatch Books. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. Jack Nisbet first told the story of British explorer David Thompson, who mapped the Columbia River, in his acclaimed book *Sources of the River*, which set the standard for research and narrative biography for the region. Now Nisbet turns his attention to David Douglas, the premier botanical explorer in the Pacific Northwest and throughout other areas of western North America. Douglass discoveries include hundreds of western plants--most notably the Douglas Fir. *The Collector* tracks Douglass fascinating history, from his humble birth in Scotland in 1799 to his botanical training under the famed William Jackson Hooker, and details his adventures in North America discovering exotic new plants for the English and European market. The book takes readers along on Douglass journeys into a literal brave new world of then-obscure realms from Puget Sound to the Sandwich Islands. In telling Douglass story, Nisbet evokes a lost world of early exploration, pristine nature, ambition, and cultural and class conflict with surprisingly modern resonances. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
