Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

DUCK!

Kim Dare, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Raised among humans, Ori Jones only discovered he was an avian shifter six months ago. Unable to complete a full shift until he reaches his avian maturity, he still can't be sure of his exact species. But with species comes rank, and rank is everything to the avians. When a partial shift allows the elders to announce that they believe Ori to be a rather ugly little duckling, he drops straight to the bottom rung of their hierarchy. Life isn't easy for Ori until he comes to the attention of a high ranking hawk shifter. Then the only question is, is Ori really a duck-and what will his new master think when the truth eventually comes out? Please Note: This is the second edition of this title. It has been tweaked and re-edited but the plot has not been changed.
