## CONFESSIONS OF A CONFUSED VIRGIN WHERE DID SEX COME FROM AND WHERE IS IT GOING

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. This book is not intended to give you any serious advice about sex. It is not a religious book intended to convert you to my beliefs. I can promise you, that is not the case because my own theories about sex and faith in God changes on a daily basis and is influenced by how much caffeine is in my body. If you want to know how to do sex, look for another book, but if you want a good laugh, I think you'll enjoy this. I mention God and the Bible a lot because this book is explaining what is wrong with how many Christians view sex, dating, and marriage. Its based on what I have actually heard people say. The mention of God or religion is something that I have a hard time avoiding because its become such a part of me that I cant ignore. Whether you believe in God or not, he gave you a brain and a choice. I do not think that he has some eternal punishment in store for you if you happen to lust after a girls face or have sex with the wrong person. I used to fear that God would punish me for even thinking about sex or looking at a womans face, but now I think God is too nice for that. It is you who must decide your future. You must take responsibility for your own choices instead of blaming God, the devil, or other people. This item ships from La Vergne, TN. Paperback.
