

March Battalion

By Sven Hassel

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, March Battalion, Sven Hassel, Danger was forgotten, death was forgotten, the war was forgotten. They only knew they had to kill. The figures in khaki were no longer soldiers, no longer men. Sven Hassel and his comrades are once more hurled into the ferocity of the frontline. The Eastern Front is a sight of unprecedented destruction. The soldiers there - the tank battalions of Hitler's penal regiments - are considered expendable by the German high command. Treated like animals, they learn to live like animals, to fight like beasts. The only other option is to die a bloody death. This is a gripping testament to the soldiers sacrificed on the Russian Front.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
