Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. First Edition,.. 203 x 127 mm. Language: English . Brand New Book. In a series of letters to her parents, 15-year-old Pamela Andrews recounts her tribulations as a servant in the house of Mr. B. The infatuated master s repeated attempts at seduction foiled again and again by the quick-witted maid lead to Pamela s abduction and imprisonment in a remote country house, where the unlikely couple truly come to know one another. Samuel Richardson, one of England s early novelists, published Pamela; or, Virtue Rewarded anonymously in 1740. The first bestseller in English fiction, Pamela excited a storm of controversy, in which it was both denounced as thinly veiled pornography and praised for setting an example of righteous conduct. Its publication marks a defining moment in the development of the modern novel, in which the genre suddenly and irrevocably developed the potential for moral seriousness. Three centuries later, Richardson s novel remains an engaging tale of psychological complexity.
