

The History of the Devil

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

IndoEuropeanPublishing.com. Paperback. Book Condition: New. Paperback. 270 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. Daniel Defoe, born Daniel Foe, was an English writer, journalist, and pamphleteer, who gained enduring fame for his novel Robinson Crusoe. Defoe is notable for being one of the earliest proponents of the novel, as he helped to popularize the form in Britain, and is even referred to by some as among the founders of the English novel. Excerpts from this work of his: I doubt not but the title of this book will amuse some of my reading friends a little at first; they will make a pause, perhaps, as they do at a witch's prayer, and be some time resolving whether they had best look into it or not, lest they should really raise the Devil by reading his story. It must certainly therefore be a most useful undertaking to give the true history of this Tyrant of the air, this God of the world, this terror and aversion of mankind, which we call Devil; to show what he is, and what he is not, where he is, and where he is not, when he is in us, and when he is not; for I cannot doubt but that the Devil is really and bona fide in a great many of our honest weak-headed friends, when they themselves know nothing of the matter. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
