Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Tao seems to be the only life vision which is total. It does not deny the earth, it does not deny the sky. It accepts both, it accepts the unity of both. It says the man who has come to know spontaneous purity and stillness, who has become relaxed with the whole, with the law of the ultimate in him heaven and earth are united. I believe in the whole. To me to trust the whole is the only way to be holy and to trust the whole is the only way to be whole. And when you are whole, life is bliss, life is benediction, life is celebration.
