Rosen Classroom, United States, 2014. Paperback. Book Condition: New. 208 x 203 mm. Language: English . Brand New Book. Real-life situations and relatable narratives guide math students through the fundamentals of algebra, which is an essential part of second-grade math. Readers will learn the skills needed to fluently add and subtract, while also building a foundation for the more complex skills that will be needed at higher levels of education. Engaging visuals complement high-interest topics, while visually appealing designs help to make the math concrete. In this book, readers will join Cole as he explores clubs at his school and determines whether group numbers are odd or even. This volume meets CCSS Math Standard 2.OA.C.3.
