Houghton Mifflin Harcourt, 2011. Hardcover. Book Condition: New. While walking a lonely forested valley on a spring morning in upstate New York, Cassandra Brooks comes upon the shocking vision of a young girl hanged from a tree. When she returns with authorities to the site, the body has vanished, leaving in question Cassandra's credibility, if not her sanity. The next day, on a return visit with the sheriff to have another look, a dazed, mute missing girl emerges from the woods, alive and eerily reminiscent of Cassandra's hanged girl. What follows is the narrative of ever-deepening and increasingly bizarre divinations that will lead this gifted young woman, the struggling single mother of twin boys, hurtling toward a past she'd long since thought was behind her. And sooner than she'd ever thought, Cassandra is locked in a mortal chess match with a real-life killer who has haunted her since before she can remember. 311p. Author.
