Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Luther Burbank s Spineless Cactus In these modern times a man must confine his efforts to a single occupation if it is to be well done. To be an extensive and successful producer of new forms of plant life and a successful merchant on a large scale is perhaps beyond the limit of any one man and I have found it necessary either to confine myself wholly to selling my new varieties of plant life or discontinue development work. Greatly preferring to devote my entire energies to the production of new varieties, I have disposed of the sales department to a corporation which will manage, market and carry on exclusively the business of selling the various new forms of plant life which I have evolved. Many Hundreds Of These Productions, Absolutely New To Mankind And More Useful And Valuable Than Those Now Known, Are Already Complete And Await Introduction. This corporation, The Luther Burbank Company, is the sole distributor of the Luther Burbank Horticultural productions, and from no other source can any one be positively assured of obtaining genuine Luther Burbank Production. To give each purchaser a guarantee of receiving original Burbank creations, this corporation has originated a trademark. The name Burbank has been so indiscriminately and fraudulently used that it has been in danger of losing, in a measure, its true significance. Every package of seed and every plant sent out from this corporation will have this trademark on it for your protection. All fraudulent uses of the same will be vigorously prosecuted and any information that will give knowledge of its misuse will be welcome. About the Publisher Forgotten Books publishes hundreds of...
