Harper, United States, 2015. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. In Port Sabine, the air is thick with oil, superstition reigns, and dreams hang on making a winning play. All eyes are on Mercy Louis, the star of the championship girls basketball team. Mercy seems destined for greatness, but the road out of town is riddled with obstacles. There is her grandmother Evelia, a strict evangelical who has visions of an imminent Rapture and sees herself as the keeper of Mercy's virtue. And then there are the cryptic letters from Charmaine, the mother who abandoned Mercy at birth. At the periphery of Mercy's world floats team manager Illa Stark, a lonely wallflower. Like the rest of the town, Illa is spellbound by Mercy's beauty and talent, but a note discovered in a gym locker reveals that Mercy's life may not be as perfect as it appears. The last day of school brings the disturbing find, and as summer unfolds and the police investigate, every girl becomes a suspect. At the opening game of the season, Mercy collapses and Evelia prophesies that she is only the first to fall. Soon other girls are afflicted by the same mysterious condition, sending the town into a tailspin and bringing Illa and Mercy together in an unexpected way. Beautifully written and skillfully crafted, *The Unraveling of Mercy Louis* is a compelling tale of longing and loss that evocatively examines the harsh realities of female adolescence.
