

Earth Science: Earth Materials Resources (Hardback)

By -

Salem Press Inc, United States, 2012. Hardback. Book Condition: New. 257 x 203 mm. Language: English . Brand New Book. Two volumes from Salem s series, Earth Science, Earth Materials Resources is an encyclopaedic review of the material world in which we live and the uses to which those materials can be put. And the full content of the set is available online, free. Everything from gold to hazardous waste is described and put in the context of humans life on earth. Water, soil, minerals, radioactive substances, oil and gas, and an array of substances present on earth and mined from it are described in depth. In every case, the science behind the use of the resource is examined in full. Designed to meet the needs of students in Earth science at the high school and undergraduate levels, these two volumes represent a focused, revised and heavily updated edition from Salem Press s five-volume Earth Science of 2001. Now more than ten years later, the updated editions (available as an eight-volume series or individually in two-volume sets) will provide students with clearly explained information on the most important and widely discussed issues relating to Earth science. SCOPE AND COVERAGE Earth...
