## Reviews

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ESSENTIALS OF NURSING CARE

I.K. International Publishing House Pvt. Ltd., 2004. Paperback. Book Condition: New. 16cm x 24cm. This text draws together acknowledged experts in their respective fields and, using a very patient-focused approach, provides readers with the concise, practical and readily usable information they need to give the patient tangible and effective care. The book uses a system-based approach to work through the entire body and includes the vital area of psychological care. The final chapter offers guidelines on how to use research to find out more about evidence-based practice and make it part of the future practice of the nurse - a vital requirement for professional nursing practice.
