Knoxville News-Sentinel Company, United States, 2004. Paperback. Book Condition: New. 218 x 147 mm. Language: English . Brand New Book. In his own humorous style, Knoxville News-Sentinel columnist Sam Venable takes us through the seasons on the calendar. He has been celebrating the seasons since he was a child and recognized four seasons--Christmas, Birthday, Out-of-School, and In-School. Since then he s added a few more to his calendar--dove, duck, deer, rabbit, quail trukey, trout, fly fishing season. You get the idea. As Sam said, I was able to cram 28 months of activity into each 12-month period. This collection of columns includes celebrations of Groundhog Day to summer to election day to the snows of winter. Cartoons by Martin Gehring spice up the pages and add a special touch of celebration on their own.
