Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For some people, gardening is a passion. Some people garden just as a hobby. For still others, it s a way to feed their families. We think Shirley MacLaine s character in Steel Magnolias said it best. Because that s what Southern women do, we wear funny hats and grow things in the dirt. You don t have to be from the South or be a woman, or even wear a funny hat to enjoy gardening. The thrill of seeing your first red, ripe tomato or watching your first stalk of corn reach from the ground can be an amazing experience for many people. Gardening is also a great way to provide healthy food for you and your loved ones. When you buy produce from the store, it just isn t the same as presenting a salad to your family that came exclusively from your garden worked by your own two hands. Many people choose to garden so they can have control over what type of food they eat without fear of chemicals or preservatives. Often, commercially grown...
