Supernatural Hero (Action Adventure) (Comics Graphic Novels) by Eran Gadot is a story that children can relate to easily. Andy is the typical nerd you will come across in your class. He is in grade six, skinny, wears glasses, and then falls in love with Zoe, the prettiest girl in his class. The twist in the story happens when Andy's grandfather dies and turns into a ghost. Now Andy has the power of seeing ghosts and communicating with them. He decides to use that power to the fullest. The paranormal activities make Andy a supernatural hero and the book is about the transformation of nerd Andy into a supernatural hero. It is a very entertaining theme where one can relate to Andy and his nerdy behavior, which sees him being the butt of many jokes in class. The transformation of this nerdy boy is done very well and the change is fluid. It is the type of story that kids will find fascinating. The black and white sketches are beautiful and they give an individuality to the characters and the scenes. The manner in which Andy handles the situations in his life is noteworthy. The theme covers everything that is part of a child's life: parents, school, friends, bullies, pretty girl, and much more. It is an entertaining read with a relatable character and exciting adventures that make it a fast paced story. Now from the nerd that he was, will this supernatural hero get the girl?.
