Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

LEG Inc. (dba West Academic Publishing, United States, 2016. Mixed media product. Book Condition: New. 2nd Revised edition. 254 x 190 mm. Language: English . Brand New Book. As a part of our CasebookPlus offering, you ll receive the print book along with lifetime digital access to the eBook. Additionally you ll receive the Learning Library which includes quizzes tied specifically to your book, and outline starter and digital access to leading study aids in that subject and the Gilbert Law Dictionary. This casebook explores the Internal Revenue Code as a series of solutions to six fundamental design questions that any tax on income must answer. Its innovative approach allows instructors to teach an intensely problem-based course, giving students practical command of the subject matter and essential practice skills, while integrating as much theory as may be desired. It also facilitates the exploration of critical contemporary tax issues e.g., tax arbitrage and sheltering, effective rates of tax, taxation of couples not treated as married for federal tax purposes, and differential treatment of workers and executives.
