

The Last Days of Mediocrity

By David Dunbar

Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When Mediocrity challenges Socrates that faith is truth i.e. a fact set apart and that even natural science is based on faith, he is arrested and questioned by Socrates. Offered his choice of punishment, Mediocrity suggests a moderate fine. On the premise of contemplation of sentence, the hearing is adjourned and Mediocrity is invited to dine at a sumptuous feast prepared by Socrates where he is encouraged to gorge himself on its many delicacies. After the feast it is abruptly announced to Mediocrity that he is immediately sentenced to drink the contents of a large chalice filled with a powerful mixture of laxative and muscle relaxant and then be confined to the agora at Athens for three days without bathroom privileges, completely naked except for a white sheet. (Based loosely and not so loosely on Plato's record of Meno's questioning of Socrates, but let's not call it plagiarism).

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
