Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 418 pages. OCLC Number: 55537292 Excerpt: . . . 10 (j) MANUAL USERS GUIDE 1. 0 INTRODUCTION This is the first major revision of the 10 (j) Manual. The last revision, in June 1996, was partial; the current revision is comprehensive. The Users Guide has been completely rewritten and extensively expanded. Sample arguments have been updated to incorporate developments in recent 10 (j) caselaw and theories regarding the need for injunctive relief. A wider variety of model papers are provided to assist the Regions in preparing and litigating their 10 (j) cases in district court. The 10 (j) Manual is intended to be a general guideline for the processing of Section 10 (j) cases. The Manual consists of two parts: the Users Guide and the Appendices which follow. The Users Guide will explain each step in the process, from identification and investigation through litigation in federal district court, instruct Board agents on their responsibilities in processing 10 (j) cases, identify various issues that may arise in processing a case, and provide necessary information to successfully address those issues. To assist in meeting those responsibilities, this guide contains material to help identify the situations in which interim injunctive relief under Section 10 (j) may be necessary. It also explains how to conduct an investigation to elicit evidence relevant to determining whether Section 10 (j) relief is just and proper in a particular case. This guide provides instruction on the procedure to follow once a Regional office has decided that a case warrants immediate injunctive relief, including the preparation of the memorandum recommending 10 (j) relief, the preparation of papers...
