THE TRUE SECRET OF WRITING: CONNECTING LIFE WITH LANGUAGE

Atria Books. Paperback. Book Condition: New. Paperback. 256 pages. Sit. Walk. Write. These are the barest bones of Natalie Goldbergs revolutionary writing and life practice, which she presents here in book form for the first time. A whole new slant on writing that she developed since the publication of her classic *Writing Down the Bones*, True Secret workshops have been limited until now to small, intensive groups at a remote center in the rural Southwest. In *The True Secret of Writing*, Goldberg makes this popular seminar available to any reader. The True Secret is for everyone, like eating and sleeping. It allows you to discover something real about your life, to mine the rich awareness in your mind, and to ground and empower yourself. Goldberg guides you through your own personal or group retreat, illuminating the steps of sitting in silent open mind, walking anchored to the earth, and writing without criticism. Just as Goldberg cuts through her students resistance with her no-nonsense instruction Shut up and writethe True Secret cuts to the core of realizing yourself and your world. The capstone to forty years of teaching, *The True Secret of Writing* is Goldbergs Zen boot camp, her legacy teaching. Stories of Natalies own search for truth and clarity and her students breakthroughs and insights give moving testament to how brilliantly her unique, tough-love method works. Beautiful homages to the work of other great teachers and observers of mind, life, and love provide further secrets and inspiration to which readers will return again and again. In her inimitable way, Goldberg will inspire you to pick up the pen, get writing, and keep going. *The True Secret of Writing* will help you with your writingand your life.
