

## Laws and The Doctors

---

By Siraj Dr. Abdul Majid

Universal Law Pub, 2016. Soft cover. Book Condition: New. 2nd Edition. Medical Doctors work hard all through a life of struggle to qualify and cherish a position enabling them fit for service in health sector and acquire expertise to learn the art of healing. In terms of innate mental abilities, they come with higher grades than average to enter the profession. They acquire a new identity with a prefix of doctor to their name and the society expects the best from them often forgetting that they are like other humans and not infallible. The book is written by a medical doctor for doctors but in no way antagonizing the legal profession and with a special inclusiveness and understanding for the need to bring doctors under a strict vigil of the prevailing laws. Nevertheless not only a special place of consideration must be given for genuine mistakes but also because of the sensitive nature of their work, they must not be under a commercial scrutiny. The clear message to medical fraternity that stands out as the spine in the storyline of this monograph is to adopt three rule modus operandi in all their transactions with patients attention to detail, self-discipline avoiding...
